

# St. Stephen's United Methodist Church

God Calls us to be partners in community  
and partners for justice.

In the Spirit of Christ we will:

Care for One Another  
Offer Sanctuary and Healing  
Unite Head and Heart  
Do Justice

## Statement from Leadership and Pastor:

Dear St. Stephen's,

Thank you for taking the time to review what aspires to be a comprehensive list of all the official ways you can serve the ministries of the church. Our hope is that in this diversity of opportunity, you will find something that both nurtures your spirit and fulfills that part of your membership vow that says you will indeed support this place with your service. Please take some time to prayerfully consider the options presented here, and turn this brochure back in to the office, mail it in, or transport it via offering plate, within the next two weeks.

You need not be an official member of the church to serve on most of our work areas. A few key committees, such as the Finance Committee, the Staff-Parish Relations Committee, the Trustees and Leadership Development are required by the Book of Discipline of the United Methodist Church to have church members only. We hope that you look at these empty blanks as new paths to making friends and feeling good about serving.

With gratitude,

Rev. Amy Venable and the Leadership Development Committee

Children's Ministries cannot fulfill its mission to our children without your help. Through your actions, we surround the children of St. Stephen's in a safe, loving environment where they grow in faith and feel God's presence. When you serve our children you help them:

- See many models for spiritual formation through Christian education
- Develop community and a love of our church through fun experiences like Vacation Bible School.
- Learn Compassion for others early in life through pastoral care and community service
- Practice worship rituals and holiday traditions that ground their faith.
- Feel God's love through your caring and interaction.
