

# Adult Sunday School

## August 5<sup>th</sup>, 2018

Choose to grow your faith in one of our five adult classes, offered between worship services, 9:45–10:45.

### **Challenges and Choices – Room 11**

Dale Wares will show a TED Talk by Dr. Helen Turnbull, “Inclusion, Exclusion, Illusion, and Collusion.” CEO of Human Facets, Helen has a 25+ year successful track record in the field of Global Inclusion. She is an internationally recognized Thought Leader on Unconscious Bias, global inclusion and diversity. As creator of "Cognizant" -- Unconscious Bias assessment tool and the "ISM Profile" for measuring Inclusion Skills gaps, her work has contributed to clients winning the Catalyst Award for Gender improvements.

### **Seekers' Class – Room 12**

This class is continuing their series this week from *The Work of The People* titled *Different but Not Divided: Practicing a Third Way*. For almost 10 years in The Refuge community, we have tried to practice a third option--a Third Way--where instead of fighting for our positions or fleeing for the safe haven of a group that looks, thinks, and believes like us--we live in the tension of our difference. We are different, not divided. It is not for the faint of heart, or those who have prioritized efficiency over relationships. But it is an absolute requirement if you dream of a faith community that is zealous to live. Join us!

### **Roots and Wings Class– Community Hall**

This class made up of mostly parents of young children is continuing their study *Painting the Stars: Science, Religion, and an Evolving Faith*. Celebrating the communion of science and faith, *Painting the Stars* explores the promise of evolutionary Christian spirituality.

### **Listening for God Class – Room 6**

This class is finishing their book study from the Center for Action and Contemplation titled *Oneing: Religion and Politics*. At this point in history, with the current state of political and religious events shifting daily, this edition of *Oneing* is especially critical. As Richard Rohr states in his Introduction, “There is no such thing as being non-political. Everything we say or do either affirms or critiques the status quo. Even to say nothing is to say something.”

### **Young Adult Class**

This class is not meeting over the summer but will resume when school starts in the Fall. Be on the lookout for our next start date!
